Dr.Emerich OFFCSAREZ

CG 2

1. Dr. Emilitich OFFCIARRI was a merber of the illeral Austrias 83 and, prior to 1973, solive with Viorna illeral 80. During the war he was transferred to Almebr; first he held a coorderant position of Erotislays, later he became active with the Pursian Curillary voluntoes troops there he was in charge of III & active.

2. Probably in excing 1947 OFFGERRIT joined the G or unicotion. His capity-out was not so each total on his extractions, eince his forcer cetivity had only corrust a small suction of intelligence corn, but was safely drawto his posternal acquaintenably with IFA England LIMITAL MERCHANTER Congulations of the Georgian contains a congulation of the congulations of the congulations of the congulations.

Since, at large at such time, illegal SD activity in America wis complicated by the Correlations & City 1223 rather than a recommendation, Cricialization and the frequency that he had been contain in the proparations to the Co-July attempt to Mitter, Actually he was not involved in such conspirations.

3. Dr.OFFOZIZEE then beerne chief of an intelligence group operating in Austria with the following chores:

e- Ametrian economy b- E-2e e-- Sod Army in Austria d- Yugoslavia

OFFCIARIX established his Headquarters first at St. Plorian oprozanie octaniamen manage near Lina, later at Salaburg.

4. At first the OFFCIARE group was immediately subordinated to the Munich center of the Corporation and the co-ordinated to the MALLER-DURAL groups, Good a term compaction

developed Softween OFFICIALL and MALLING; at Honish they frequently measure come other of the titality formed around and explaying unreliable collaborators. NALLUM finally ensembled in briting an agent setive with OFFICIALLY'S Salzburg officate regularly inform him on OFFICIALLY'S eters. Although this fact became known to OFFICIALLY, he, for opportunion, reveled on friendly terms with MALLUM. Mallul got OFFICIALLY cumplicated under his influence and, to a small extend, less his participate in his obscure business transactions as to keep him under conditional pressure.

- 5. Late in 1947 OFFICERENT appoints of the brother-in-law martim CCMMIDT his organization generally Though JCMMIDT, originating from diffusia and a formator by profession, had no experience in invelligance officiary, he control to bring OFFICERENT office completely under his control. Chouding himself because his antipose, and COMMIDT was to be continued the sound chief of the group, SCHMIDT, a brintle call richtiowers mismathrops, is very attacked to his family living in North Germany onleased OFFICERENT to support his family with considerable sums.
- 6. In August 1949 the OFFCIARRY group become affiliated to the MALLIDE group; HALLIDE become UFFCIALES's supprior. OFFCIARRE's portained and budget were curtailed.
- 7. Under SCHALDT's infinence the OFFCZIARE group now mulaly specializes on country intelligence and area. Committee or taimed the shoulding of mingle persons, evan nectors of his cas word, by using special agents.

The G-organization staff considered OFFCEARTY's work useful, but stated that it never showed extraordinary results.

- 6. In July 1951 the MARLITE and OFFCEARER entries were dissolved. Through Dr.EDIDIA (see para.2) OFFCEARER entries with the control of additional charge:
 - a- He still employe one evaluator for Ametrica internal affairs and escatar.
 - b- Re employe and frequently visits collaborators in Carinidia who probably furnish him information on Tugoelavia.
